Welcome to Vintage Lincs and Bentley's Coffee Shop

This business started out for the love of all things vintage and the love of classic cars.

Most things in Bentley's are for sale. If it has a price tag on it, then it's for sale.

All our scones, cakes and pastries are made here on site.

We serve freshly ground coffee from Exchange Coffee in Blackburn, which you can purchase and take home. Most of our products are sourced locally supporting local businesses.

We serve a large selection of vintage cordials supplied by Mr Fitzpatrick' and these are served with either still or sparkling water, hot or cold. These are available to purchase by bottle or glass and are fabulous with GIN!

Please let us know if you have any dietary requirements or anything else we can help you with.

Vintage Lincs is:

A quirky haven of vintage and antiques, selling everything from wardrobes to sugar bowls; whose prices are both reasonable and fair.

The majority of our products are recycled and upcycled helping our planet to reduce landfill.

We are an independent business

We appreciate your custom • We are unique • We pay fair taxes
We love our town • We create real local jobs

***Thank you for your custom
and supporting local business***
